FOREWORD

It was the intention originally of the authors to preface this work with a defense of Genealogy, but as the work progressed it became more and more evident that such a defense is unnecessary. Genealogy, -that is family history, - undertakes to recount the origin and peregrinations of the various members of the family, so far as such information is obtainable. In that respect its purpose is practically identical with that of history in general. In fact, general history is merely the sum total of the histories of the various families of any one nation.

In this connection we might quote Ralph Waldo Emerson, - "There is nothing that solidifies and strengthens a nation like the reading of that nation's own history, whether that history be recorded in books or embodied in customs, institutions, and monuments." So in a lesser degree is this true of the history of families.

Genealogies in general undertake to recount the details of the life of various members of the family, so far as such information is obtainable; but it is quite apparent that such details cannot be obtained of all the members of the family. The Genealogist must be satisfied with tracing out the wanderings of the principal lines of descent. This information is obtainable to some extent from the living members of the family, but it must be checked and verified from vital statistics. These latter, when obtainable at all, are frequently meager and in many cases inaccurate. The Genealogist must be content with obtaining partial proof, and in many instances must rely upon inference only. Sometimes the only clue to genealogical puzzles is found in Wills and Deeds.

There is a temptation sometimes for Genealogists to rely upon family traditions; these, when carried down through generations, are of great value in tracing the wanderings of early members of the family. At other times, however, such traditions may be very misleading.

Probably in no family is this more true than in the Exline-Axline family. The authors do not claim infailibility in sifting out the various legends and data, as they are merely human, but they have been able, however, to correct many errors in dates and in family traditions. On the other hand, they have in all probability made many errors of their own, both typographical and through oversight. But they have tried to eliminate the hazard of guess and inference as much as possible and to replace legend and tradions with known facts or at least with inference which show some trace of probability.

The authors make no claim to having produced a complete record, or even to approximate that ideal. They do, however, claim to give an account of the early home of the family and of the origin of the American branch; and they attempt to trace with some degree of accuracy the paths taken by the earlier branches.

Several years more of effort and a considerable outlay in expense would be necessary in order to make the record as nearly complete as had been planned by the authors in the early days of their research. At that time they had planned a fairly complete family tree. As that is now seen to be entirely out of the question the problem has resolved itself into one of tracing the major lines of the family.

The uncertainty of this existence makes it necessary that this work be issued in its present state and form for it is now apparent that if some Exline genealogy is not produced now, no good one ever will be, as the earlier generations upon whose mental recollections and family Bible records much of the account of the earlier generations is dependent, are fast leaving us. Another generation and it will be forever too late to compile an authentic account of our family's early history. But this record, it is hoped, will set straight that portion of the beginnings of Exline-Axline family,

and will give at least the outline of the later lines in correct form upon which subsequent Genealogists may work in reasonable confidence of the accuracy.

Authority for data should be given in genealogical work when practicable, but such is impossible in a work of this size. In many instances various sources of authority differ. County court records are the most reliable, though seldom complete enough to solve many problems in early chronology. Church records come next and would be of great value were it not that in early days the church clerks were frequently young people who saw no reason for recording an item in other than its simplest form, and were themselves often so illiterate that in some cases the same family in the Baptismal Records at the same church had its name spelled differently at each successive baptism, creating almost a nightmare to the Genealogist.

Finally, it is found that family Bible records are frequently very inaccurate, sometimes crediting births to the wrong parents, sometimes crediting supernumerary children to a family, - sometimes incorrectly dating births and marriages. One striking instance of this occurs in one of the Exline families, where the data on a family of twelve children was recorded by two different sources, each copying the record from a family Bible. They agreed on the names of the children, and on the order of their birth, but the actual dates differing in every case, varying from days to months and to a year. This simply indicates that some of the dates were entered from memory, after the lapse of some time.

Of later years the various County Vital Statistics Records have been more carefully kept, and this fact together with the improved method of keeping the Federal Census Records since 1850 have greatly facilitated genealogical research. But for the years prior to 1850 the labors of the trained Genealogist are still indispensible.

EXPLANATION OF THE CODE

In practically all Genealogies some code or index is used in connection with each name to identify the holder thereof; to distinguish him from others of similar name, and to establish the family group and generation to which he or she belongs.

The authors of this Genealogy have personally examined many such codes, some of which are practically useless, others vague or misleading, and so complicated as to be almost unintelligible; and very few of which show in every case the complete line of descent, except the system of giving after each name, in parenthesis, the names of all direct ancestors, sometimes in direct order, sometimes in reverse order, with an index figure showing the generation to which the name belongs. This method, however, while definite, has the disadvantage of being awkward and cumbersome when used in connection with every entry.

The authors, therefore, have adopted a code which seems to them to offer the maximum intelligibility. It is a modified form of one which has been found occasionally in other Genealogies, and seems to them to be the most satisfactory.

This system is simple in the extreme. Preceding the name of the individual is a group of letters which shows clearly the generation to which he belongs and his line of descent. For example the original progenitor is coded simply "A"; his children will be designated "a", "b", "c" etc., in the chronological order of their birth, suffixed to the "A" of their father; thus: Aa, Ab, Ac, etc. The next generation will be coded "a", "b", "c", suffixed likewise to their father's code, thus: Aaa, Aab, Aac; Aba, Abb, Abc; Aca, Acb, Acc. Each succeeding generation gets its own letter, affixed to the code of its forebears. This method offers positive identification, for it will be evident that no person's code will ever be duplicated elsewhere in the family. The number of letters shows the generation to which he belongs, and the letters themselves show his line of descent, with no confusion.

To ascertain the parentage of any person in the Genealogy it is necessary only to drop the final letter of his code; what remains will be the code for his father; dropping two letters will leave the code for the grandparents.

As these codes occur in the genealogy in alphabetical order it is a very simple matter for any person to trace his ancestry back to the first progenitor.

As the number of generations in some lines has now reached ten, that means that there will be ten letters in some codes. To facilitate reading such codes, the letters of all codes of over five letters are divided into two groups, the first group containing five letters, the second group containing the remainder. These two groups are separated by a dash and are followed by a semicolon. This dash and semicolon are for punctuation only; they have no other significance. They merely serve a purpose similar to the commas in a column of figures.

The Exline-Axline Family appears to be of German, or German-Swiss, origin. At any rate, in the Fifteenth and Sixteenth Centuries it is found in southern Germany and in northern Switzerland. In Germany the family name appears in Baden, but the real home of the family seems to have been in the Canton of Schaffhausen, Switzerland. This is one of the smaller Cantons and is situated in the extreme north of Switzerland, projecting up into the kingdom of Baden, by which it is almost surrounded. The total area of the Canton is 113 square miles and the population in the middle of the last century was 35,000. Here are located the beautiful Rhine Falls. The original form of the family name, as it appears in High German, is "Oechslein", meaning "Young Ox", and is pronounced almost exactly like one of its English forms -- Exline.

In the Cleveland Public Library is much data on the family in Switzerland. It is written in German and French. It is apparent that the family of Oechslins in Switzerland was a most interesting one, with membership among the Clergy, Professors, Doctors, Sculptors, Painters, Printers, and Authors. The most common spellings are Oechli and Oechslin. The Clergy Latinised the name into Bovillus. The earliest reference found was in 1363 in the town of Zurich.

In central Europe however, where every few miles traveled finds a different dialect spoken, the name is found under several spellings, the more usual forms being Oechslein, Oechslen, Oechslin and Oechsli, the latter form occurring in Schaffhausen.

So far as the authors of this work have been able to ascertain, the earliest members of the family who achieved prominence were three brothers in Schaffhausen, named Hans, Gerold, and Rudolf Oechsli, the latter having been Governor of Schaffhausen sometime between 1470 and 1487; to him also was awarded the Oechslin Coat of Arms at about the same time, 1470. This Coat of Arms was on display in the local Church Chapel in Schaffhausen during the first half of the Seventeenth Century. Customarily, the use of a Coat of Arms is limited in Europe to those who can trace actual descent from the person to whom the award was made, but in America, it is customary to permit the use of the Coat of Arms by those who are descendants of the family Another member of the family in Schaffhausen who received recognition for his services was a man who bore the title of "Excellent" Oechslin. He had acted as Aide to Zwingli in leading the Protestant Reformation in Switzerland between 1520 and 1530.

One member of the Schaffhausen line, in order to get away from the religious turmoil which had afflicted Switzerland during the Middle Ages, had emigrated to Alsace, approximately fifty miles to the west. This move, however, was an unfortunate one; he had escaped religious persecution only to find himself in the midst of a military persecution far more oppressive.

The inhabitants of the upper Rhine Valley had suffered for generations from the military ambitions of the crowned heads of Europe. Their farms had been periodically devastated by the opposing armies, their homes sacked and burned, and they themselves forced into military service which was odious.

William Penn had noticed the condition of the inhabitants of the Rhine Valley during his two visits there in 1671 and 1677, so when he was given the Charter for his American Colony in 1681, he shortly thereafter, - in 1686, made another trip to this Rhine Valley, - generally referred to as the Palatinate, and invited the inhabitants to come and live in his Colony, offering them 5000 acres of choice farm land for $100.00 with 50 acres additional for each servant they brought along. (See "Americana" Vol. 27, page 308.)

This offer was attractive to these people, and with the turn of the century they started a migration which soon reached immense proportions; in fact, England was so alarmed at the great number of Germans who accepted this offer that she feared these Germans might decide to form a

colony under German sovereignty; so beginning in 1727, she required the immigrants, -who were generally called Palatines irrespective of what part of the Rhine Valley they came from, -to sign the Oath of Allegiance to England immediately upon arrival in Philadelphia.

The immigrant with whom we are primarily interested was Georg Christoff Oechslen. Tradition has it that his family had lived in Alsace for a generation or two already after leaving Schaffhausen, and that his father had been impressed into the army of Frederick William I. This service was probably between 1715 and 1725 or thereabouts. Frederick William had started his reign with a systematic military discipline which has characterized many of his successors also. With an eye to the spectacular he organized one regiment of the tallest men in the kingdom, none being eligible except those over six feet tall. This regiment was known as the Potsdam Giant Regiment and was recruited from all parts of the Kingdom, of which at that time Alsace was a province. This famous Potsdam Regiment is a matter of Prussian history, and the traditions of the Exline family say that the father of Georg Christoff Oechslen was a member of this regiment.

George Christoff Oechslen was born about 1705-1706. This date could not have been much later as he was at least 21 when he signed the Oath of Allegiance Rolls in Philadelphia in 1727; and it would not have been much earlier as his first son was born in 1733 near Winchester, Va. The ships coming to America at this time were loaded to overflowing with consequent unsanitary conditions and pestilence, and many of the passengers died on the journey. In some cases whole families were wiped out before arriving in America. (See Rupp's "30,000 Germans"). George Christoff Oechslen arrived in Philadelphia on October 2, 1727 on the ship "Adventure", John Davies, Master. (See Strassburger's book on German Immigrants.) His own signature on the Oath of Allegiance Rolls in Philadelphia at this time is "Georg Christoff Oechslen".

Georg Christoff Oechslen apparently lived in the vicinity of Philadelphia for a few years, joining in that extensive excursion of the "Pennsylvania Germans" to Loudoun County, Va., which took place in 1732. He was married about the same time, but whether in Pennsylvania or Virginia is not known; nor is the maiden name of his wife known, other than that she was called Catherine.

Of Christopher's three sons, the eldest, Adam, eventually adopted the spelling "Exline", and that spelling was continued down the line by his descendants except for one small family which chose "Axline"; the second son, George, first used "Exlein" but changed over to "Exline"; while the third son, Johannes, and his descendants have used "Axline".

Altogether, the following spellings have been met with:

Oechslen	Exeline	Exline	Axeline	Axlein
Ochslein	Echsline	Aexlein	Aishlein	Oxlein
Exlein	Exaline	Axline	Eckline	Aoxlaine
Eckshleim	Oechslein

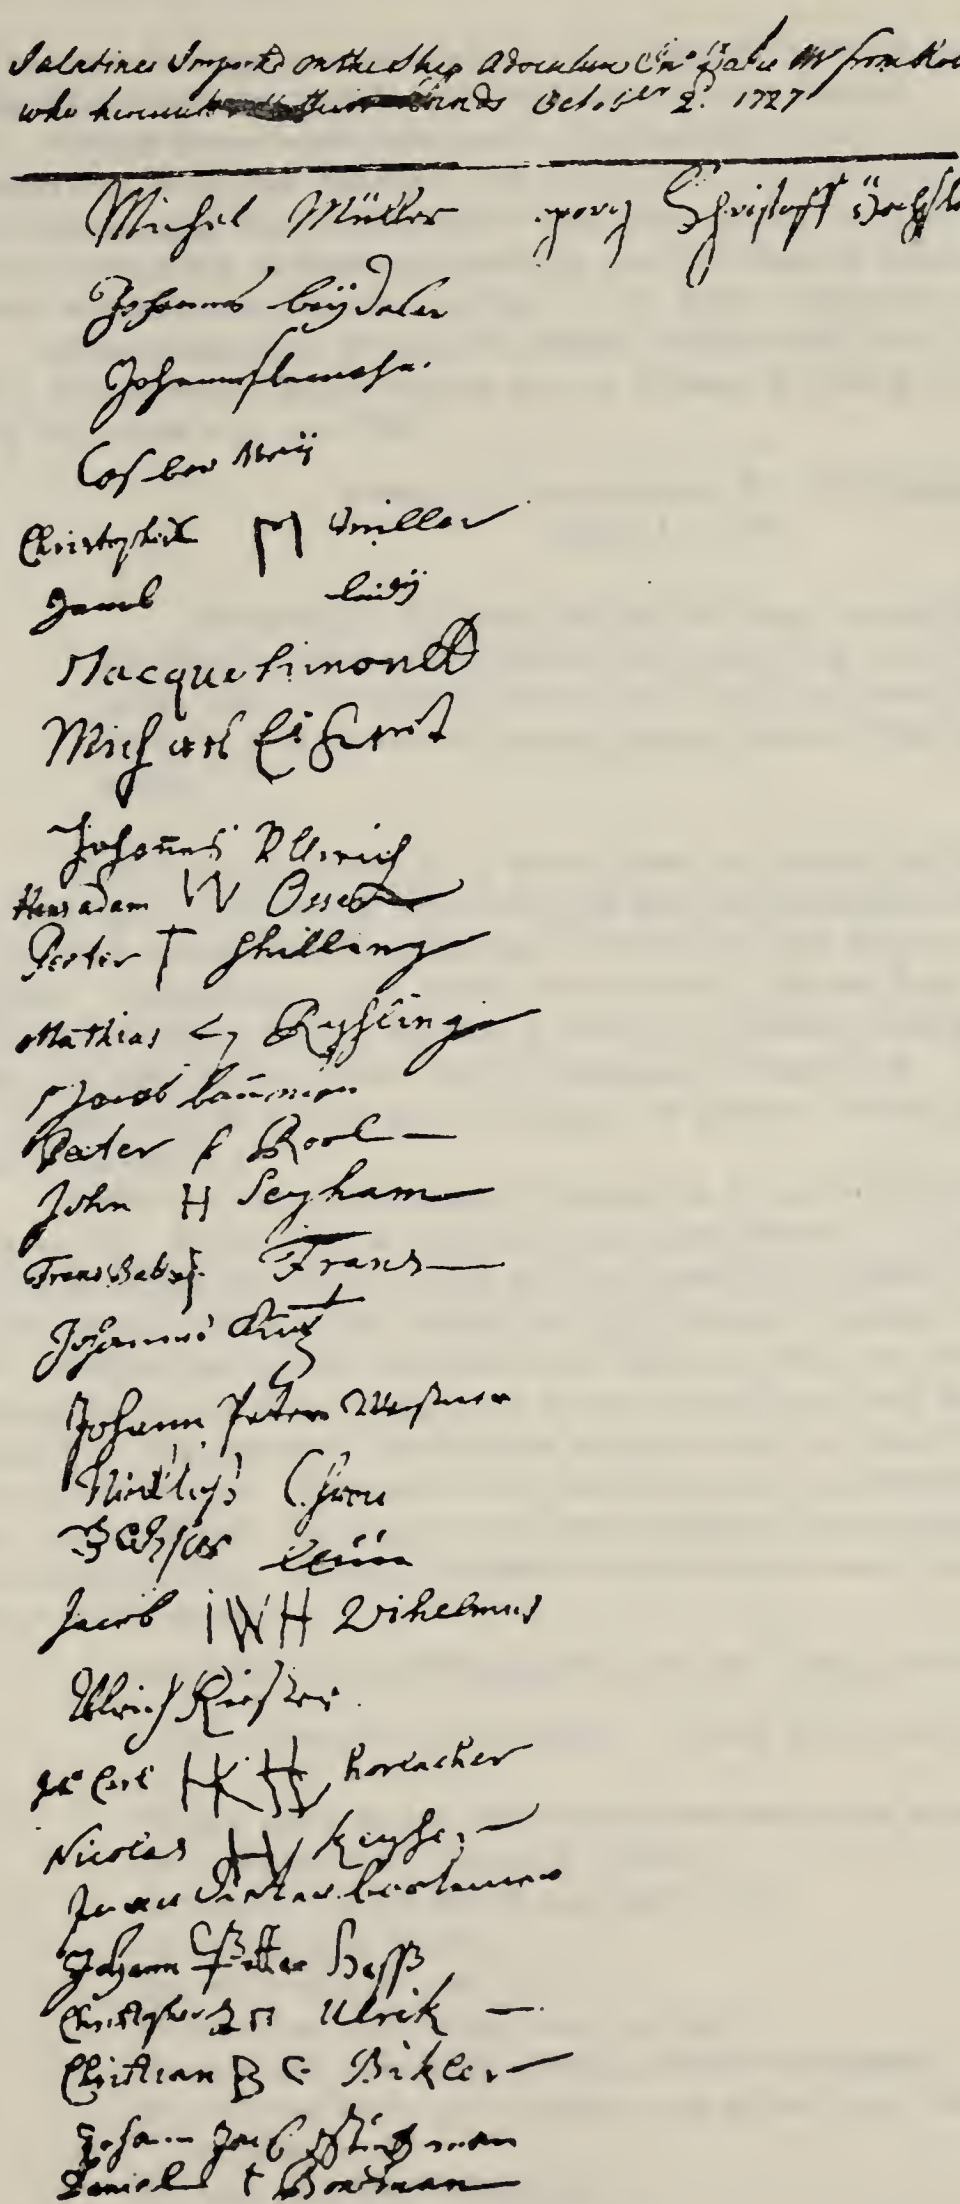
Georg Christoff Oechslen signed the Oath of Allegiance upon arriving in America 7 Oct. 1727 on ship Adventure, with John Davies, Master. See Strassburger's "German Pioneers". In view of the various spellings of the name met with in the early days, it is well to note that at this time Christopher spelled his name just as given above. The Captains of the English ships also kept their own lists of passengers, the entries therein usually being made by the Ships Clerks, who were not very proficient in



Georg Christoff Oechslen's signature in early German script appears last among the signers of the Oath of Allegiance to England at the Port of Philadelphia, October 2, 1727. These signers were among the passengers of the Ship Adventure.

spelling the German names; hence Christopher's name is found entered as Georg Christoph Aeckstein and also as Christo Excell.

There have been rumors in the family that Christopher had started for America with his parents and his sister, that his parents had died on the journey, and that Christopher had been bound out by the ship's captain to private parties in Pennsylvania to pay the cost of the passage. This may or may not be true, but the Authors have been unable to confirm it.

Descendants in the Adam Exline family say that Christopher lived at Valley Forge when Philadelphia was a village of just a few huts. He was living in Berks Co. in 1756:

Sower's Germantown Pa. Newspaper
April 1, 1756

"Plantation for sale in Heidelberg Township, Berks Co., on Cacoosing Creek (Berks Co) including a grist mill and saw mill, and two houses where Martin Linck and Adam Schoeck live, and also one adjoining house where Christopher Oechslen lives."

Christopher Oechslen's name does not appear on the Chester Co. tax lists up to 1760 but in 1763 we find him in Uwchland Twp. Chester Co. He and son Adam listed as Inmates (Renters) and John as a freeman (single). Christopher and Adam were taxed 2 pound 6 s. In 1765 he was in the same location with 2 horses 6 sheep (a jobber), taxed 5 s. In 1766 Adam and Christian (error for Christopher) taxed 5 s. In 1767 Christopher and Adam had 280 acres and buildings, 5 horses, cows and sheep and were taxed 1 pound 12 s.

Thus we find Christopher Axline as he now signed his name in Chester Co. from 1763 to 1768 when he died there. At the time of his death he was in Pikeland Twp. living on land owned by James Packer. Administrators Bond #2425 on the estate of Christopher Axline was dated April 1, 1768. Catherine Axline the wife and Adam Axline the eldest son were Administrators and they along with Jacob Dansfilzer and George Irish were bonded for 200 pounds. Catherine signed with her mark and Adam signed in German script. Johannes and George signed statements for their brother to administer their part, as did Leonhard Herringer stating that he was a son-in-law. George signed with his mark and Leonhard Herringer signed in German.

He is buried as Philip Henry Exline but used Henry Exline in all legal records, Catharine is married as Catharine but buried as Elizabeth Exline. The authors have in their possession, a receipt which reads as follows: "Received from John Bussard, Adm. of Henry Exline dec. the just and full sum of nine dollars for making the coffin for Catharine Exline the wife of Henry Exline dec. The federal census of 1800, 1810, 1820 for Bedford County, Pa. bear out the fact that Henry and Catharine Exline had five sons and five daughters. The Harbaugh Genealogy of 1856 says "Henry second son of Adam had sons, Adam, John, Dan and David." We know however that Henry was the first son of Adam. Descendents of Henry, from the different branches agree on the children of Henry and Catharine. In 1817 Henry was deeded a farm from his father Adam. This was known as "Richland Cove". See Book "k", Bedford Co., Pa. Deeds. 11 Feb. 1817. This land had been secured by patent by Adam Exline 23 Apr. 1793 and was situated near Friends Cove in Colerain township, Bedford County, Pa.

When 5 years of age, Adam Henry Exline was brought by his parents from Loudoun County, Va. to Bedford Co., Pa., with the German migration of those years. The Exline families, Adam and all his sons settled in Friends Cove, a little mountain valley settlement in Colerain township, Bedford County, Pennsylvania. Elizabeth Waltman was the daughter of George and Margaret Waltman who had migrated from Loudoun Co. Va., to Bedford Co., George and Margaret appear in the 1790 census for Bedford County with no children, at that date. They were the only Waltman family in Bedford County for many years George was the son of Emanuel and Margarite Waltman who came to Loudoun Co., Va. in the German migration of 1732. Both are buried in New Jerusalem church cemetery. In 1837 Adam Exline with his wife and their eldest daughter Margaret and her husband George Speaker and the other smaller children migrated to Sandyville, Ohio when the lure for free land in Ohio became prevalent. A letter from Emanuel Speaker son of George Speaker written in 1906 says of this trip "Adam Exline was my grandfather. He and his entire family including his son-in-law George Speaker, left Friends Cove Penn. about June 1837. They moved to what was then called Lower Sandusky, Ohio. They remained there but a few weeks and had started to return to Friends Cove, when they had gone as far as Flooms Tavern about half way between Canton and Massillon, they were met by grandfathers brother John who lived near Sandyville, Ohio, who urged them to go home with him and rest for a few days. They went down with him. For family reasons, father and mother decided to wait until Spring. The result was the whole family remained in and near Sandyville for ten years. In the fall of 1847, nearly the entire family moved to Western Ohio. My father and mother settled in Mercer county, Grandfather settled in the southern part of Van Wert County where he and grandmother died." Elizabeth Waltman Exline died in Van Wert County, Ohio about 1865. The exact date is unknown. Late in life Adam married Mary who shared in his estate in 1873. Names of the children of Adam with location are given in the probate of the estate, records of which are on file in Van Wert County, Ohio. Adam Exline was a Farmer. Relatives who remember him say he was a fine old gentleman respected by all who knew him. The family worshipped at Greenbrier church near Van Wert, Ohio. In the

1850 census, Adam and Elizabeth with daughter Elizabeth aged 18 were living in Liberty township. The farm of Adam Exline was just one half mile from that of his cousin Valentine Exline. There has been much confusion among descendants in regard to Adam Exline above and his first cousin Adam Exline who removed to Greene Co. Indiana. The latter was a son of Bernard and six years younger.

Edgar Nichols was the eldest son of George Nichols (1808-1881) and Lavonia Wait (1818-1882) and grandson of David Nichols (1774-1830) and Jerusha Spinning (1776-). He was a great grandson of John Spinning (1753-1816) and Jerusha Frary (1752-1833). John Spinning served in the Rev. war from Massachusetts. See the History of Kandiyohi County, Minn. for the George Nichols family and the History of Guilford, Conn. for the Spinning family. See also the History of Kenosha and Racine Counties, Wisconsin for the Nichols and Wait families. Lavonia Wait was the daughter of Reuben Wait (1791-1856) and Anah Barnum (1790-1851) daughter of Thomas Barnum the Rev. soldier from Massachusetts. Edgar Nichols served in the Civil War, enlisting from Ft. Snelling, Minn. with Co. "B", 4th Minn. Vol. Inf. He was honorably discharged at St. Paul il May 1864. He was in the battles of Iuka, Corinth and the final siege of Vicksburg. His Company had the honor of leading the victorious column into the surrendered fortress. He also saw service at Mission Ridge. After the war, Edgar Nichols went into partnership with his father George Nichols, owning the flour mill on Green Lake and operating under the firm name of Nichols and Son. This he sold in 1870 and built a flour mill at Winnebago, Minn. in partnership with J. Siman on 1 Jan. 1872. He sold his share in 1873 and worked with the owners at $2.00 a day until 21 Apr. 1873 when he and his wife "Cina", their infant son James Edgar and his brother-in-law James Adam Smith started overland for Kansas. While in Green Lake, George and Edgar Nichols signed the petition for a school in the town of New London in Dist #98 South 1/2 Section 13, 14, 15 and all of 22, 23, 27 and 34. Edgar Nichols was the Clerk. He was also Chairman of the Town Officers of New London 1870. The Nichols farm was N1/2 NE1/4 Section 10 and lots 1 and 2 Section 3 comprising 162 acres on beautiful Green Lake and 1/4 mile from Spicer, Minn. The Mill building is still standing, the upper story having been removed and the building is now used for a Restaurant. In a glass case along with other early day mementos is the day book in George Nichols handwriting. Edgar Nichols kept a diary of their trip to Kansas from Minnesota. It is now in the possession of his son Chester Nichols of Hoxie, Kansas. In Pioneer Settlement near Bunkerhill, Kansas he bought a homestead right for $49 and then bought a half section of railroad land for $3.00 per acre. James Smith located two

miles west of Bunkerhill while Edgar Nichols was 5 miles south in the Pioneer district. His, Edgar Nichols, land was located on the Smoky Hill river near the bluffs. Here he built a house and mill which was for years the only flour mill in the locality. He built a tunnel to carry waterpower for his mill. This was considered an engineering feat in those days. However, because of the silt deposit, it was unsuccessful and he lost his lands as a result of this expensive venture. See Russell Record, Vo. 60 for an account of this mill and tunnell He later owned and operated mills at Fairport, Waldo, Lucas and Morland, Kansas. He died at Morland Kansas and he and wife are buried in the Morland cemetery. The Russel Record in his obituary notice says "His sterling worth as an upright and honest gentleman was recognized by all with whom he came in contact and was prized very highly as a true and loyal friend". At one time, Edgar Nichols had been Clerk of the District Court in Russell County and the family lived in Russell.

Indiana and d. 28 Nov. 1928 Apache, Oklahoma. Letters from Ira B. Shell in 1940 states that he remembers clearly the overland trip from Minnesota which he made with his mother Mahala Jane Shell, his half-brother James Smith and his brother Will. They left on 4 Mar. 1875 in a covered wagon drawn by a small mule team. They were caught in several blizzards but arrived at the farm of Edgar Nichols south of Bunkerhill, Ks. on the last of April 1875. The buffalo grass was a green carpet over the rolling hills and prairies and buffalo, antelope and deer were in herds everywhere. There was plenty of meat for one had only to ride among the herds and take his choice. This family bought land two miles west of Bunkerhill, Ks. and were living there during the grasshopper invasion. He tells of one evening about four o'clock when the sun was suddenly obscured and the sky darkened by the grasshoppers. Fields of melons and of corn which was just in the roasting ear stage were completely obliterated. He states that while trying to cut the corn, his clothing was eaten full of holes. The grasshoppers were so thick on the railroad tracks that a freight train loaded with cattle was stalled because the drive wheels would slip and spin around. In a half and hour, the hoppers had gone south and nothing was left in the fields. That winter, the Government issued clothing and provisions to many people in this area. Many families became discouraged and returned to their former homes. Ira Shell went through similar experiences while homesteading in Oklahoma.

CHAPTER 2.

Aaac: John Exline b. 1790 Loudoun Co., Virginia d. 6 Oct. 1844 Sandyville, Ohio. m. 1. Elizabeth Ott 6 Apr. 1814 Friends Cove, Pa. by Rev. Gerhart. She was a daughter of Michael Ott. d. 1822 m. 2. Eliza Laufer in Feb. 1823. She d. 1880 Sandyville, Ohio. John Exline grew to manhood in Friends Cove, Pa. See early History of Tuscarawas Co., Ohio. John Exline was one of the early pioneers of the military lots in NE quarter of Sandy township of Tuscarawas County, Ohio. This history says that John came from Huntington, Co., Pa. It may be that he had removed there for a short time before coming to Ohio. He and his family came by the toilsome wagon journey over the mountains about 1816 and made his presence known by stopping at Mr. Jackson's cabin asking for a fire. He was surprised the next day, by neighbors who flocked in at his camp on lot #13 and completed a cabin for him before daylight closed. Mr. Exline belonged to the Presbyterian church. He died on his farm. John Gettis Exline collected the information on his family as well as a start toward an history of the Exline family. This material, he generously donated the authors for incorporation in this book. He says "Older members of the family always said that John Exline came from Bedford County, Pa." The will of Michael Ott father of Elizabeth is filed in Bedford County, Pa. When John and Elizabeth Exline settled on their farm in Sandy township, two miles east of Sandyville, there were only three other settlers in that township. Two of these were John Farver and Wallen Miller. John is buried in the old community cemetery in Sandyville, Ohio and his headstone bears this inscription "John Exline died October 6, 1844 aged 54 years."

Elizabeth Ferris came with her parents to Ohio a few years later than the Exline family. Her brother Keeler Ferris lived near by and her sister married Wheeler Sanford. Keeler Ferris was a schoolteacher and a muscian. Samuel Exline bought 20 acres of land adjoining his father on the east. This he purchased from his brother-in-law Wheeler Sanford. See Deed in Vol. 15, page 597 Tuscarawas County, Ohio records. Old acquaintances spoke of Samuel Exline as a remarkably strong man and physically of a stocky build like his son James Keeler Exline. He had decided to move farther West and had bought a yoke of oxen for the trip when he became afflicted with a fatal sickness in the form of a cancer near one of his eyes. He has been spoken of as a Charcoal Burner by occupation. In 1850 Elizabeth Exline was living in Sandy township, Tuscarawas Co., Ohio with her sons, James, John and Samuel.

Daughter of John and Elizabeth (Cox) Miller. m. 2. Agnes A. Allman 1880 daughter of Barry and Eve (Sturrip) Allmen. Since the father of James K. Exline died when he was but nine years of age, necessity compelled him to earn his own living among the early pioneer families. Endowed by nature with unusual physical strength and an apt mind he soon became skilled in the various arts of pioneer life and was highly praised as a farm hand. At the rural school, he was studious and became proficient in all the common branches except grammar which was not regarded as so important among the pioneers. He was a firm believer in education and for many years served as a member of the local school board. His children all had a common school education, two of them were teachers and a third a Physician. James K. Exline served in the Civil war and was twice wounded at Stone River. He carried both bullets in his body to his grave. In his boyhood he united with the Methodist Episcopal church and was active in his christian life to the end, serving many years as Class Leader and Sunday School Superintendent.

Aacg: Mary Exline b. 29 Sept. 1806 Bedford County, Pa. the twin of David Exline. d. 7 Feb. 1867 Putnam Co., Ohio. Buried in Truro Cemetery. m. Thomas Jefferson Harbaugh. He b. 8 Oct. 1796 Harbaughs Valley, Frederick Co., Maryland d. 8 Apr. 1884. Quoting from the "Annals of the Harbaugh Family" by W. L. Harbaugh 1915 "Thomas Harbaugh was apprenticed to a carpenter and learned that trade.... After his marriage he settled in Muskingum Co., Ohio. This place not being agreeable, they removed to Sandyville, Tuscarawas Co., Ohio where they lived until 1848 when they moved to a quarter section of land in Pleasant township in Putnam Co., Ohio... The trip was made in the fall of 1848 and numbered father, mother and ten children in a wagon drawn by a horse.... In his character, Mr. Harbaugh was a very quiet

unassuming citizen, approving and helping every cause for the upbuilding of the community. Nor was he alone for Mrs. Harbaugh was a woman of more than average intelligence... In religious matters both Mr. and Mrs. Harbaugh were brought up on the tenets of the Lutheran church. This home was blest with twelve children, two died in infancy, one in her fifteenth year and the other nine lived to raise families.... after the death of Mrs. Harbaugh, Mr. Harbaugh went to Fremont, Indiana and died there 8 Apr. 1884. Mary Exline came from a most hardy and persevering family. After her marriage, she took a very active part in the affairs of the home, her neighborhood and community. Having been brought up in the tenets and professions of the Luthern church which at that time denied "the weaker sex" the privilege of participation (public) in worship of the church, she found her thoughts of justice, worship and many other things taking a different channei from some of the things of that day .... Mrs. Harbaugh became the spiritual leader of her community.... Another thing in which Mrs. Harbaugh took an active interest was the slavery question ... Another feature and characteristic of Mrs. Harbaugh was her desire to alleviate suffering and help the needy".

BRANCH 4

Aad: John Exline b. 1767 prob. in Chester Co. Pa.; d. 5 Sept. 1851 Bedford Co. Pa. m. 1. Marie Margaretha Moser ab. 1788. 2. Mary Foster ab. 1796 dau. of Berzeal Foster b. abt. 1776 (Census 1800 says bet. 1774-1800).

John first appears on the tax lists along with his father Adam in Loudoun Co. Va. in 1788. He is listed again with his father in 1790 and in 1791. In 1796 he is taxed in Bedford Co. Pa. for 25¢; in 1797 for 17¢; in 1798 he had 2 horses, 2 cows, house and stable valued at $76 and taxed at 19¢. He appears on the tax list of 1800 for 19¢. In 1804 he had 191 acres of land by patent; 50 acres improved; 2 horses, 3 cows value $662 tax $3.31. In 1806 he was taxed for $3.31; in 1807 he had 191 acres by patent, 288 by Warrant, 100 acres improved 3 horses and 2 cows and was taxed $4.35; and in 1810 he had 190 acres by patent 3 cows 5 horses tax $5.45.

John died intestate hence it is difficult to trace his children. Some descendants thought he had several sons by his first wife but records bear out one only. Tradition says that the sons by

the first wife left home when John remarried. The 1800 Census shows no older children in the family. John Exline in 1835 when 68 years old deeded his farm to his son John Jr. with the understanding the John Jr., was to care for John Sr. and wife for the rest of their concurrent lives. Census records for Bedford Co. for the years 1800, 1810, 1820, 1830, 1840, and 1850 have been studied for the purpose of determining the approximate dates of birth of the children. There are two children, a son and a daughter, - indicated by the Census, of whom no further records have been found, seeming to suggest that these two children may have died young. One Mary Exline b. 1790 in Pa. was living in Bedford Co. in 1850. She is as yet unidentified. John Exline once signed his name "Johounnous Eckshleim". Adam Axline (Exline) deeded to John Axline (Exline) on April 18, 1814 a part of the tract which he had received by patent 23 April 1792.

Children of John Exline:

Aada: Daniel Exline b. 1792 Bedford Co. Pa., m. March 9, 1826 Elizabeth Lyberger at Berlin, now Somerset Co. Pa. She born July 15, 1799. Daniel Exline left Pa. and settled in Ohio. He is also known as Daniel M. Exline. Descendants of David Exline (Aaae) state that Daniel M. was an old bachelor and was known as "Raccoon" Dan. The above marriage record shows that he did not marry until 34 years of age and that may account for that tradition. Mr. John Lybarger signed an affidavit for Mrs. Helen Hill, genealogist of Bedford Co. in 1937 at 80 yrs. stating that Elizabeth Lyberger married Daniel Exline and that Daniel was the son of Philip Henry Exline and that Daniel lived on a farm right across the draw from his (John Lyberger's) porch. Apparently there has been some confusion between the two Daniels. We find a Daniel M: Exline with wife Mary in Jackson Co. Ohio in 1850. This is no doubt the above Daniel. He lived on Raccoon Creek in Jackson Co., which explains his nickname.

Aadee: Emma Catherine Exline. b. 10 May 1843 at St. Clairsville, Bedford Co. Pa. d. 30 May 1890 Moss Bluff, Fla. m. 1865 at Somerset Co., Pa., Andrew Jackson Penrod b. 14 May 1843 Somerset Co., Pa., d. 18 Feb. 1930 at the Soldier's Home at Grand Rapids, Mich.

Andrew Jackson Penrod enlisted 12 Oct. 1861 in the 55th Pennsylvania Volunteers as a Private at Harrisburg, Pa. Honorably discharged 30 Aug. 1865 at Petersburg, Va., as a sergeant. The family moved to Iowa in 1870 and to Kansas about 1875 to Chase Co.

There were rumours back in the last Century that the Family name of Penrod really should have been Penrose and as a matter of fact the War Dept. has Andrew Jackson Penrod's name as Penrose on some of their records. A document in the possession of the writer, from the War Dept. has this entry "Andrew Jackson Penrod, - name also carried as Andrew Jackson Penrose, etc.".

A searching genealogical investigation by the writer has failed to disclose any connection between the two families in this country. Andrew Jackson Penrod was the son of Elijah Penrod and Hannah Baush, grandson of Michael Penrod and Kathryn Moore, gr. grandson of David Penrod and Barbara--------, gr. gr. grandson of John Penrod and Catherine--------, the first Penrod colonist in this country. The assumption of the name Penrose by Andrew Jackson Penrod and two or three other but distantly related Penrods during the Civil War can only be explained as an affectation inspired by the belief that the two families were of related origin, both having the family seat in Cornwall. As the old

rhyme has it:

"For by Pol-, Tre-, and Pen-,
Ye shall know the Cornish Men".

As a matter of fact the first Penrod colonist settled in the midst of a Pennsylvania German Colony, and his descendants intermarried with the Pennsylvania Germans generation after generation to such an extent that many members of the later generations believe that the family was originally Pennsylvania German.

Andrew Jackson Penrod married again later in life, about 1896, an Etta Pollard, by whom he had one daughter, Ruby Penrod, b. 30 Sept. 1898. Ruby Penrod m. 1932 W. C. Coleman at Homestead, Fla.

Aadee-a: Minnie May Penrod b. 17 Dec. 1866 Stoyestown, Pa. d. 16 June 1919 Los Angeles, Cal. m. 17 Dec. 1883 Frank Hugo Theodore Holz b. 8 Nov. 1856 Milwaukee, Wis. Minnie May Penrod came with her parents first to Marshalltown, Iowa, in 1870, then to Chase Co. Kansas in 1875, where she was married to Frank Holz in 1883. They took up Government land in Kearny Co. in 1886. In 1892-3 they lived in Topeka where Frank Holz held a political office under the Lewelling Administration. From 1896 to 1903 he was with the Street Railway Co., in Kansas City, Mo., but ill health caused him to go to California in 1903 with his family, where he was engaged in the Hotel and Restaurant business until he retired in 1930. Frank Holz is a veteran of the Sioux Indian War in Wyoming Territory, having served from 27 July 1876 to 18 June 1877. He is of German parentage, being the son of Friedrich Wilhelm Leopold Holz and Henrietta Frederika Wilhelmina Werner; gr. son of Johann Gottlieb Lother Holz and Dorettea Sophia Ruhenthal Loewe; and gr. gr. son of Augustus Robin Drzewski, a Polish patriot who fled from Russian tyranny into Germany, where he translated his name from the Polish name "Drzewski" meaning "Wood", to "Holz" which is the German name for "Wood". This happened about 1790. This couple had two children:

Aadee-aa: Alma Emma Holz b. 1 Aug. 1885 Harper Co. Kans., d. 29 Mar. 1908 St. Paul, Minn., m. William Pryor 1905 New York. Alma Holz had notable histrionic talent. Her first work was with the Woodward Stock Company in Kansas City in 1900; next with the Royal Lilliputian Comic Opera Co., 1903-5; lastly with the Keith and Orpheum Circuits 1905-1908. No issue.

Aadee-ab: Leo Louis Holz b. 14 March 1887 Kearny Co., Kans. m. 19 Sept. 1913 Ruth A. Allin b. 21 Aug. 1894 Salisbury, Mo. One of the authors of this Genealogy. His original ambition in life was to be a research worker in the field of Biology, and to this end devoted his

early years to the study of the Natural Sciences, especially Zoology, Biology, Physiology, Physics and Chemistry, besides Ethnology and Comparative Philology. In his spare time he tried his hand at Musical Composition and the making of a few hand-made violins. He has been a disciple of the Philosophers from Aristotle to Einstein. His chief ambition in life, however, did not materialize, and he put in the years from 1918 to 1934 in the Contracting Business. From 1935 to 1941 he directed one phase of a research into Juvenile Delinquency for the Los Angeles Co. Probation Dept. Since the latter date the advent of ill-health has interfered with most of his usual activities. Since 1906 he has made his home on the Pacific Coast, at San Diego, San Francisco, and since 1912 at Los Angeles. His wife Ruth Allin Holz is the dau. of William Lewis Allin and Donna May Creason; gr. dau. of Joseph Houston Allin and Catherine Dameron; gr. gr. dau. of John Jouett Allin and Cynthia McAfee; gr. gr. gr. dau. of Major Thomas Allin and Mary Jouett; and gr. gr. gr. gr. dau. of William Allin and Frances Grant.

Solomon Exline was but thirteen years of age, when his father Adam migrated to Bedford County, Pennsylvania. The farm which Solomon inherited from his father in Bedford County was rocky and the soil poor, consequently in 1818 he decided to try his fortune in Ohio. He came to Coshocton County Ohio in 1818. In 1821 Elizabeth Beltz Exline made a trip on horseback back to Loudoun County, Virginia. When she returned, she carried with her in the saddle bags, a small pear tree sprout. This lived and grew and bore fruit. Nora May Vincel remembers enjoying the fruit from this tree and hearing the story concerning this trip. In 1836 Solomon and family went to Sandyville settling in the northwest quarter section of Washington township, Coshocton County, Ohio. The farm was known as "Axline Hill". When the family came to Ohio, they were very poor in this worlds goods and endured many of the hardships incident to pioneer life. In politics, Solomon Exline was a Democrat. They were members of the Lutheran church. This branch of the family own an old German family bible. It is Luthers translation and bears the date 1582. Tradition in the family is to the effect that it was brought by Christopher from Germany. On the fly leaf is written the birth dates of Solomon Exline and Elizabeth Beltz and birth dates for their daughters Mary and Margaret. A scrap of paper in the bible gives the

birth date of Frederick Beltz as 12 Feb. 1751. There is also a letter written by "Bernart Exlein" in which he asks the recipient to pay Joseph Mills $18 on his account.

THE GEORGE EXLINES

Ab: George Exline b. abt. 1735 probably in Loudoun County, Virginia. d. Hardy County Virginia (now West Virginia) abt. 180?
m. Maria Catharine Kraus 2 Jan. 1759 at New Hanover, Montgomery Co., Pa.
George spelled his name "Jurg Oxlein" in his marriage record. The Rev. Johann Caspar Stover officiated in the services at the Evangelical Lutheran Church at New Hanover. This is the oldest Lutheran church in America of German origin, though the original building has been altered. Services were held here as early as 1700 and were organized by Daniel Falckner. Maria Catharine Kraus (the feminine form in German being Krausin) was b. 1736 the daughter of Nicholas and Eva Catharine (Haas) Kraus and the grandaughter of Hieronymus and Christina Haas. She was confirmed on the 14th of April 1754 at the Augustus Lutheran Church in Trappe, New Providence Twp., Montgomery Co., Pa., at the age of 18 years. Notation on church record says "Reads fairly well". This beautiful little church was built in 1743 and is still standing, making it the oldest unaltered Lutheran church in the country. It also was founded by Daniel Falckner and his brother Justus. The succeeding ministers were: Pastor Caspar Stover, the elder, and Heinrich Muhlenberg, father of Major General Peter Muhlenberg of Revolutionary fame. In 1761 George and his wife Maria Catharine were just across the hills from New Hanover, where they were married, to have their son John baptized in the Oley Hill Church also known as St. Joseph's Church. Their daughter Maria Margaretha was also baptized there but their next child Susannah was taken back to the churchwherethe parents were married to be christened. Her grandparents Christoph and Catharina Exlein acted as Sponsors. George used the spelling Axelein and Oechslen at this time. Later he used the spelling Eckslein. George's father Christopher Exline died in 1768, George was present in Chester County for the settling of the estate. Due to the fact that he soon took his family into the then far west, Hampshire County, Virginia (now West Virginia) the tradition in later years grew up among the Adam Exline descendants that George was a bachelor and that he drove a herd of cattle over the mountains and never returned", the assumption being that he was killed by the Indians. All of Hampshire County was owned by Lord Fairfax at this time and the inhabitants were renters until the surrender of Cornwallis at Yorktown, October 19, 1781. It was this year that George's son, John Exline was certified as a private in the Revolutionary army. In 1782 we find George Exline on the tithe (or Personal tax) list of Hampshire County, Va., 1 tithe, 4 horses and 14 cattle. The earliest records of the commonwealth land were 1788. Hardy County was made from a part of Hampshire County in 1785. In 1787 we find George in Hardy County, Va. 1 tithe, 1 horse; with him was Barkley Exline, 1 tithe 2 horses on Randall's list, First district. John Exline was there in 1791 on Heath's list. On a list marked 1792 or 1793 both George and his son are tithed, John 1 tithe 1 horse, George Exline 1 tithe, 3 horses. 1794 Heath's list, John Exline 1 tithe, 1 horse. George Exline 2 tithes 2 horses. 1796 John Exline 1 tithe, 1 horse; George Exline, 2 tithes, 2 horses; 1797 George Exline 2 tithes, 3 horses; 1798 West Dist. George Exline 2 t, 3 h.; 1799 West Dist. George Exline, 2 t, 1 h.; 1800 West Dist., George Exline, 2 t, 4 h.; 1801 George Exline Sr. 2 t, 4 h.; as well as George

Exline 1 t, 2 h.; 1802 George Exline, 1 t, 2 h. For the last time, George Sr. is listed in 1801 and George Jr. continues on in the county until his death in 1832. The only early Virginia land record of this family reads, "In Hardy County an assessment was found of one lot of land to Exline, in 1791, no given name was shown". George, Jr.'s land in 1812 was located on "Deer Lick Run" near "Indian Old Fields" on the South Branch of the Potomac, and no deed to him exists of it; so it is presumed it was inherited. Fort Pleasant (or Fort Van Meter, as it was sometimes called, after its builder), was an Indian Fort nearby, erected earlier under orders of Colonel George Washington. This was the scene of long and barbarous warfare with the Indians, which continued until the Treaty of Peace was made by General Wayne in 1794.

BRANCH 1.

Aba: John Exline b. 28 Aug. 1761 Pike twp., Berks Co., Pa. bpt. 18 Oct. 1761 in St. Joseph's Church (Oley Hills) Sponsors: Leonard Meyers and wife Anna Eva. d. 1847 Jackson County, Ohio. Buried in Salem Methodist cemetery (Rhodes), Berlin, Ohio. No headstone. m. ------- -------. No marriage record has been found for John Exline at this date. We find him first as an adult in Hampshire Co., Va. with his father George. He enlisted as a substitute in the Revolutionary War from Hampshire County, Virginia. He enlisted 1 Apr. 1781 for 18 months in Capt. Thomas Warman's Co. and Col. Gist's regiment, and was discharged at the Cumberland Court House, Va. He reenlisted in Capt. Beverly Ray's Co., Col. Perry's Rgt. and was in the Siege of Yorktown. His description on his military record was Age 21, height 5 ft. 4 in., hair, fair; eyes, gray; complexion, fair; occupation, Planter; residence, Hampshire Co., Va.; birthplace, Berks Co., Pa., (reads Bucks some records). For how long, 1 year 5 months; how, Substitute. Dated, 11 April 1781. John Exline was discharged about October 1782. Over the years he appears on the Personal Tax list as follows:

1788 Hampshire County, Virginia; 1 tithe; District of Marquis Calmes, Hardy County Virginia; 1791 on Heath's list 1 tithe, 1 horse; 1792 Randall's list East District, 1 tithe, 1 horse; 1794 Heath's list, 1 tithe, 1 horse; 1796, 1 tithe, 1 horse;

1797, again in Hampshire County, in Upper District, 1 tithe, 1 horse; 1798, Price's List, 1 tithe, 1 horse; 1799, 1 tithe, 1 horse. His son John Jr. also appears here on the list for the first time; 1800, he is still in Hampshire County, 1 tithe, 1 horse; 1801, 1 tithe, 1 horse; but by 1806 he had moved on to Harrison County, Virginia, now West Virginia, for in the District of Jacob Coplin he is tithed there for three persons, and 2 horses, the tax being twenty four cents. This county is next to Monongalia County where John's sister, Susanna Exline Heck, lived at the time. A record from the National Archives of John's last Pension payment for Revolutionary Services shows that, "In March 1847, the Veteran was residing in Jackson County Ohio, where he had been living twenty seven years. Prior to that time he resided in Harrison County, Virginia. His sons Solomon and Abraham, continued to live on in Harrison, though Daniel, Edward and Isaac and probably John Jr. preceded their father John Exline to Ohio. By 1820 the latter was in Jackson County, Ohio. In 1825 he applied for a pension for his war services. He was pensioned for service as a private, Pension S 42 716, and it was issued 19 November 1825 at the Ohio Agency. He referred to his family as a wife and minor son. He also mentions his sons, John and Isaac, saying they had helped him but now required their exertions to help themselves. He said he was 66 years of age in 1825. Isaac Exline and Joseph Crouch made affidavits. See document in Veterans Bureau.

Chapter 1.

Abaa: John Exline Jr. b. abt. 1783 Virginia. In 1799, John Exline was tithed in Hampshire County, Virginia. He does not appear again in Hampshire, Harrison or Hardy Counties where his father and brothers lived. In 1820 he was living in Jackson County, Ohio. His brothers Daniel, Edward and Isaac had come to Ross County. (Jackson was taken from Ross in 1816). In 1820 he was married and listed as 26-45 year of age, as was his wife. There were two males 16-26 years of age with them. Two daughters b. between 1802-1820. No further records have been

found for him except that his father, John Sr. in 1825 mentions him. There was, however, one John Exline listed in the 1850 census for Jackson County, living with Jacob Exline (John's nephew). This John was b. 1790 but census records are often in error and this no doubt was the above John.

Abab: Daniel Exline b. 1787 in Virginia d. 26 Aug. 1851, Jackson Co., Ohio m. Isabelle Elder 3 May 1814 by-----Perkins, J. P. of Ross Co., Ohio. She b. 1796 Pennsylvania, the daughter of Robert Elder d. after 4 June 1880, Jackson Co. Ohio. Daniel Exline appears on the 1806 Coplin's List, Harrison County, West Virginia; 1 tithe. In 1814 he had come to Ross Co., Ohio where he was married. Jackson Co. was taken off Ross Co. in 1816 and he appears in Milton Twp., Jackson Co., Ohio in the 1820 census. In 1830 he was in Lick twp. but in 1840 back in Milton twp. Here he resided in 1850. Daniel Exline served in the war of 1812 as a private in Capt. Isaac Dawson's Ohio Mounted Militia for 13 days of service in 1812. He volunteered in Ross County. He was again a private in Capt. Peter Boscus's Co. of Ohio Infantry as a substitute for Nicholas Bunn. He was discharged at Chillicothe, Mo. 6 June 1815 aged about 24. He was granted a land bounty. Listed as single which was evidently an error, as was his age. 11 Dec. 1841 Daniel and Isabelle Exline sold land to Patrick S. Shearer --- whereas Robert Elder late of Jackson Co., Ohio now deceased by will..... did devise to Isabelle Exline late Isabelle Elder and daughter of said Robert Elder-now intermarried with Daniel Exline..... east 1/2 of NW 1/2 Section 31, township 10 range 17..... Book "E" p. 588. Daniel was appointed guardian for the children of his son James in 1864. The 1850 census names Daniel and wife, Mary, Margaret, Lydia and Daniel Jr. as children at home at that time. Isabelle Elder Exline's estate was administered in 1880 and the heirs were as follows:
Sons John and Daniel, daughters Mary D. Exline, Margaret Exline, and Lydia Eisenaugle; grandchildren Charles, Daniel, Mary, Jerry N., John Jr., William, Jacob, Isabelle, Robert N., Lydia, Jane and Ira Exline, Ermyrillus Strosnider, Cornelius and Ripley Exline, Cornelia V. Hill, Lovina H. Simmons, Sarah, Eliza E., Ulysses Grant and Mary Colston and Mary Russell. The grandaughter Mary Russell was the one Mary Exline who m. Emanuel Russell in 1867 Jackson Co. Ohio. She would necessarily be a daughter of Jacob since the children of Robert and James were named and the other two sons John and Daniel were living. All children b. in Jackson County, Ohio.

This family lived in Gilmer and Braxton Counties of West Virginia. Ebenezer served in the Civil War as a Scout or Spy for the Union army. He related the following story to his children:

"At one time, he (Ebenezer) was attired in the uniform of a Confederate soldier and sent out on a mission. He was encountered by a Confederate Captain and thirty soldiers. He immediately recognized the Captain as his brother Laban Exline. The Captain did not ask his name, nor did he disclose his own. The Captain, however, did ask him what he was doing, and he replied that he was with another group of Confederate soldiers and had been sent out to see if there were any Union soldiers about. (Remember that Ebenezer was a Union soldier). Of course

the Captain Laban Exline had recognized his brother and knew this to be a falsehood. The Captain immediately disposed of his men by sending them on a further mission saying that he would take care of the soldier. The two rode off together until they came to a fork in the road, at which place Captain Laban pointed to a certain direction and told Scout Ebenezer to go that way. This road took Ebenezer back to the Union encampment. Had Captain Laban not shown this leniency to his brother, though no mention of names was made, Ebenezer would undoubtably have been killed by the Confederate soldiers. This was the last time that Ebenezer ever saw his brother. When the war was over, Laban never came back home, as the split was so great between the North and the South".

He went to Ohio after the war but eventually settled in Georgia. See mention in Mrs. Heck's "Memories of the War". From the report of Col. William Jackson, 9th Va. Cavalry near Union, West Virginia 19 Nov. 1863: "It is becoming evident from the sound that the enemy was about to make some movement, Capt. L. R. Exline with thirty men made a successful reconnaissance encountering and driving in sharpshooters and returning to safety after discovering that the artillary was coming up, knowing that with long range guns the enemy would have decidedly the advantage, I was prepared to fall back as soon as his artillary was put in position. . . . ." I cannot omit calling attention to the brave bearing of Captain L. R. Exline who lost an arm at Sharpsburg"------" Battle of Droop Mountain, Hadq. 1st brigade Army of the Southwestern Virginia. 19 Nov. 1863. Jno. Echels, Brigade General to Major Springfield. "My attention was also particularly drawn during the thickest of the fight to the exhibition of cool courage and noble daring presented in the conduct of Lt. C. Irving Harvie of Jenkins brigade and of Capt. L. R. Exline of Col. Jackson's command".

THE SETTLEMENT of LOUDOUN COUNTY, VIRGINIA

and

THE NEW JERUSALEM CHURCH at LOVETTSVILLE

The first white people to locate in Loudoun County, Virginia as actual settlers came in 1732, Germans from Pennsylvania who located at Waterford. At that time it was part of Prince William County but in 1742, Fairfax County was created and named for Lord Fairfax. In 1757, Loudoun County was created out of Fairfax County. The German settlement was that part of Loudoun County bordered on the east by the Catoctin Mountains, on the west by the Sort Hill Mountains, on the north by the Potomac River and on the south by the village of Morrisonville, which is known far and wide as the German settlement.

Among the names listed in the Pennsylvania-Germania of 1908, Vol. LX, for this settlement, we find the names of many of our ancestors, namely: Abel, Arnold, Ames, Axaline, Arment, Baker, Bartlett, Beatty, Beamer, Brown, Best, Bolin, Boyer, Booth, Beck, Cooper, Camphor, Crim, Cruze, Darr, Dill, English, Everhart, Eamich, Ery, Fry, Fawley, Frazier, Filler, Gabour, George, Goodhart, Grubb, Garrett, Gatewood, Green, Heater, Hickman, Householder, Houck, Hoy, Houser, Hefner, Jacobs, Kemp, Kern, Kuntz, Kalb, Lovett, Lenhart, Long, Loy, Miles, Mann, Magaha, Martin, Mock, Mull, Mill, Myers, Nicewarner, Ownes, Parmer, Petterfield, Paxon, Prinz, Potts, Ramey, Ropp, Roller, Ruse, Robison, Ridgeway, Rust, Rhoderick, Rodifer, Roule, Ritchie, Sando, Spring, Shutt, Slater, Stoneburner, Snoots, Stone, Seits, Shipman, Schneider, Souer, Shawen, Stocks, Stouts, Swank, Sanbower, Stoutsenberger, Shry, Stream, Sander, Swope, Shomaker, Taylor, Tritapoe, Titus, Thrasher, Virts, Vickers, Vincel Williams, Wenner, Whitmore, Weiss, Wire, Wine, Wired, Walkman, Wilt, Working, Wunder, Wolford, Yeakley.

The first authentic record of the organization of the New Jerusalem Church near Lovettsville, Virginia, is dated 1765. Prior to this time and as early as 1735, Casper Stover, one of the earlier missionaries of the Lutheran Church, says in an account published in Germany in 1737 that he visited the congregations in Loudoun County as it is now known, then Prince William County. Little progress seems to have been made until 1765 when under the pastorate of Rev. Schwerdferger, a log church and schoolhouse were erected on the land now occupied by the New Jerusalem Church and cemetery. This land was originally given by Lord Fairfax.

This was the beginning of regular church services which have continued ever since. Among the early pastors were: Rev. Hartwick, Rev. Sartorius, Rev. John Andreas Krug and Rev. J. G. Graeber. In 1880, the log house was found to be too small and a stone structure, 40 by 60 feet, was erected, a grand church for that day, with arched ceiling, a gallery on each side and aisles paved with dressed stone. Above the door was the inscription "Dei Gloria 1802". Pastors Jasensky, Shaeffer and John Sackman followed.

On account of the German preaching, many young people were leaving the church so the Pastor in 1830 resigned, giving way to the English preaching. The stone building succumbed in a notable snow storm in

1830 but was soon rebuilt by the courageous congregation. The third church was burned in 1868. Rev. X. J. Richardson was pastor at this time. True to the faith and courage that has always characterized the followers of Martin Luther, the congregation erected the beautiful and commodious brick church with two large Sunday School rooms on the ground floor and an auditorium with gallery seating five hundred persons on the second floor. Later a tower was built and a bell added to the building.

Because of the growth and expansion of membership, Tankerfield Church was erected in 1865, being four miles east of the home church. In 1895, a stone church "Shinar" was erected about four miles west of the home church. One council conducts the business of the three churches, each church being represented. The communicants on the rolls of the church number more than 600, the membership extending from one to twelve miles distant from the church.

Among the later pastors we mention Dr. P. H. Miller, Rev. Milton McLinn and Rev. Asa Richard, each of whose pastorates extended over a number of years. Rev. A. F. Tobler, the present pastor, furnished the material which made this sketch possible. This church is pre-eminently a church of the Oechsleins (later spelled Axline and Exline). In it their ancestors were baptized as infants; served as faithful workers; were wedded; and at last laid to rest in the cemetery adjoining the church. Its influence is felt not only in Loudoun County alone but extends to the eighth and ninth generations of its founders. This church is now a modern church. The authors are indebted to Nora Axline Vincel for collecting the data used in this article.

THE AXLINES OF LOUDOUN COUNTY VIRGINIA

Ac: Johannes Axline b. 19 Sept. 1739 Loudoun County, Virginia; d. 19 Feb. 1833 Lovettsville, Virginia; m. 1771 Christena Mertz, the step-daughter of his brother Adam Exline. She b. 1750 and d. 16 Apr. 1828. Both are buried in New Jerusalem Cemetery at Lovettsville, Virginia. In 1763 Johannes Axline was taxed in Uwchland twp. Chester Co., Pa., as a single man. In 1772 he appeared in Loudoun Co. Va., where on 27 May 1772 he leased land from Hon. George William Fairfax for and during the natural lives of himself, David Axline, his son who was b. in 1772 and for John Axline, his nephew. In 1782, Johannes Axline was taxed in Loudoun County, 1 tithe and 5 horses; 1783, 1 tithe and 6 horses; 1784, 1 tithe and 5 horses; in 1785, 1 tithe and 4 horses; In Deed Book "P" page 268 dated 18 Mar. 1786 Loudoun Co. is a lease from Hon. George William Fairfax to John Axline for and during the lives of self and sons Jacob and Daniel. The tax list for 1786, gives John with 100 acres of land. He was on James Mellhaney's list with 1 tithe and 5 horses; 1787, Bennet's list with 1 tithe and 7 horses; 1788, 1 tithe and 6 horses; 1789, Charles Bennett's list 2 tithes (Self and David) and 5 horses; 1790, Self and David; 1791, Self and sons David and Jacob Axline, 7 horses; 1792, Self Son David and John Harrogate. 1793, John Axline. John Axline served in the Revolutionary war as a Private under Lt. Col. Posey in the Company of the 3rd. Regiment with his name spelled "John Exline". His name appears on the muster roll dated 16 Apr. 1782. His grandson Attorney Henry A. Axline of Columbus, Ohio, in searching for John's war record noticed that on the payroll, the name of John Exline was always set to one side and marked "for special services". Later he found an old chest which the family had brought from Virginia and in it was a diary kept by Christena,

wife of John Axline. She had made this notation "Everything is in confusion around me. Since John made the last gunpowder, the British have confiscated everything we have". This excited the curiosity of Henry Axline who searched the army supply records and found a record of the gunpowder that John had made. John would fight for a time and then go home and make gunpowder, then go out and fight again. On 15 Sept. 1784 a certificate for the sum of 16 pounds, 19 shillings was issued to John Exline in payment for his services. John Axline was a member of the Council of the Lutheran Church of New Jerusalem in Lovettsville, Va. 25 Mar. 1786. See page 157. The names of his family appear as communicants over the years. The headstones of John and Christena Axline are legible and bear the following inscriptions:

"In memory of Christena Axline wife of John Axline who departed this life 16th April A. D. 1828 in the 78th year of her age."

"In memory of John Axline died on the 19th Febry. 1833 aged 93 years 5 mo.".

Will of John Axline recorded in Will Book "U", Folio 299, Leesburg, Virginia.

"In the name of God Amen
I, John Axline of the County of Loudoun and State of Virginia, being old and feeble but of sound mind and memory and considering uncertainity of death and the uncertainty of the time thereof, do make and ordain this my last will and testament in the manner and form following: That is to say; I give and bequeath unto my beloved wife, Christena Axline all the rights and privileges to and in the leases which I hold on my sons Henry and John Axline during her natural life together with all my household and kitchen furniture, two milk cows and four hogs such as she may choose.

I give and bequeath unto my daughter, Charlotte Everhart, two hundred pounds Virginia currency to be paid within a year after my decease.

I give and bequeath unto my grandchildren (the children of my daughter Elizabeth May, deceased) viz; Joseph Smith, John May, David May, William May and Leander May, one hundred and fifty-five pounds Virginia currency to be equally divided between them to be due to them two years after my decease to remain in the hands of my executors till they severally become of age if they are not of age within two years after my decease. I give and bequeath unto my grandchildren (the children of my daughter Catharine Everhart, De'cd) viz; Christina, Elizabeth, Israel, Solomon and Catharine Everhart thirteen pounds (Virginia currency) each to become due to them three years after my decease to remain in the hands of my executors till they severally some of age (if they should not be of age within three years after my decease). I give and bequeath to my son David Axline two hundred and forty-five pounds (Virginia currency) to be paid to him in four years and six months after my decease. And after the decease of my beloved wife, Christena, it is my desire that my personal Estate shall be sold and the money arising from the sale to be equally divided between my children, David, Jacob, Henry

and John Axline, Charlotte Everhart and my grandchildren (the children of my daughter Elizabeth May deceased) and the children of my daughter Catharine Everhart, deceased, so that the Children of each of my two deceased daughters shall receive as much as of one of my children, that is, the money is to be divided into seven equal parts and the children of Elizabeth May dec'd. to have one of the seven parts and the children of Catharine Everhart to have one of the seven parts and the remaining five parts to be equally divided between David, Jacob, Henry and John Axline and Charlotte Everhart.

And lastly, I do hereby appoint my son David Axline and Philip Everhart sole executors of this my last will and testament to act jointly or separately as the case may require by reason of death or otherwise and do hereby revoke all former wills by me made acknowledging this to be my last will and testament.

Given under my hand and seal this 15th day of September in the year of our Lord one thousand eight hundred and twenty six.

Signed, sealed and acknowledged by the said John Axline to be his last will and testament in presence of us — his John / mark Axline (seal)

Acef: Jacob Axline b. 12 May 1813 Loudoun County, Virginia d. 1 June 1864 near Big Blue river, Jackson County, Missouri. m. Mary Catharine Edmonds 31 Aug. 1835. She b. 4 Apr. 1887, Fairfield, Iowa.

The Jacob Axline family is said to have come to Iowa in 1824 and then removed to Jessamine County, Kentucky. Here, Jacob Axline taught school at Sulphur Springs. Later he operated a blacksmith and wagon shop on the pike between Nicholas and Lexington, Kentucky. Later he removed to a farm twenty miles south of Kansas City, Missouri. Jacob and Mary Axline were members of the Bethleham Church at Hickman Mills in Jackson County, Missouri. Here he raised Co. "B", 2nd Bat. Missouri Cavalry for the Civil War. From the Civil War records we find:

"Information taken from the official records of the War of the Rebellion. Report of Captain Jacob Axline - 2nd Battery of the Missouri Cavalry. Captain of Company B., St. Louis, Missouri, 26 August 1862. This is a description of a skirmish and surrender at Independence, Missouri, in which 7 men were killed and 12 wounded. Captain Axline was ordered by Col. Buel to surrender. He replied that Col. Buel was not in command and that he would not surrender. Capt. Breckenridge, who was with Capt. Axline ordered his men to surrender and they did so. They were told that they were surrounded by a force of 700 of the enemy. Captain Axline was left with a force of 75 men, fatigued from four hours of fighting so he finally ordered his men to surrender with the provision that

private property of Officers and men be respected. The men had paid for their horse and saddles. They had repulsed four different charges of the enemy.
Hickman Mills, Missouri, 25 Apr. 1864. From James E. J. Harris to Brig. Gen. Brown. Pursuant to your instructions, the Company of Enrolled Missouri Militia has been disbanded and a new Company organization made. Result is that we are deprived of the assistance and abilities of the only man that has the ability and influence necessary to our protection here. To illustrate, on the 12th of March last, some $500 worth of mules and cattle were stolen from the neighborhood of Santa Fe, partly from members of our Company. Captain Axline was absent at the time but returned on the night of the 15th. Early next morning on hearing of our loss, he requested us to go with him to see Captain Hall. . l . the thieves were caught 65 miles from the State line in Kansas. It is admitted here by all the citizens that we have, no man that we can put in his place that has the confidence and respect of the Kansas troops in such a degree as will insure their acceptance and cooperation in affairs of this kind; he has manifested a disposition in many other instances to protect our property while in comm and of the company, which I have not space to mention further his influence with the soldiers stationed here was such that while on duty, private property was respected and no petty thefts committed which I am sorry to say has not been the case since our organization as it now stands is compsed of men rank and file who have been living here during the war without taking up arms in favor of the government though a few of them have been in arms against it; and now turning out of the company the only radically loyal man we had in it, a man, too, who has had experience in command, well tried in battle, one who has never shrank from responsibility and place in his stead men without either military experience, ability and inclination to oppose the enemy by force of arms, appears to have destroyed our respect at home and abroad. In addition to the above, the muster rolls of Lieutenant Axline's company have been returned executed by order of Major General Schofield and the organization placed upon a basis that appears to give satisfaction to the company - at least the truly loyal part of it. I, therefore, respectfully ask you to rescind the instructions given to Col. Ford to disband the company organized by Gen. Schofield at this station and petition you to retain Lt. Axline in command of same. I was Orderly Sergeant in the old organization and hold the same position in the new. I do not, therefore, make this request through any selfish motive of my own but for the general good and safety of all. In regard to Lt. Axline's ability, integrity and loyalty, Captain T. S. Case of your staff, can give you all the information you desire. By complying with the above request you will confer a lasting favor (as I fully believe) on the company."

Jacob Axline later raised another Company of which he was Captain. He was killed by Bushwhackers on 1 June 1864, near the Big Blue river in Jackson County, Missouri. His family removed to Fairfield, Iowa.

Witnesses: Johann and Catharine Beck, Johann Sebastian, Catharine Datz and Henry Rieber. See Pennsylvania German Society Proceedings, Page 75, 14 Oct. 1903. This Johannes Oexlein was perhaps one Johannes Oxli who came to America on the ship "Neptune" with Captain James Wier and qualified on 23 September 1751. See Pensylvania German Proceedings, Vol. 3, page 467. Johannes was living in Germantown in April 1759 when his daughter Susan was born and on 1763 when his son Andreas was born. From Henry Melchoir Muhlenberg's Journal, translated by T. G. Tappert and J. W. Doberstein we quote

"23 January 1763 Johannes Oexlein reported that his 7 month child had died, Vol. I, page 590. 23 January 1763 - about 2 o'clock in the afternoon I went to Johannes Oexleins house and fetched the body of his child, escorted it to the vicinity of Mr. Handschuh's house and he took it over and accompanied it to the church, Vol. I, page 591. On 25 Jan. 1763, Johannes Oexlein paid 5 s. grave fee for his child buried on Sunday and for myself, 7 s. 6 d. Feb. 10, 1763, I went from Johannes Mangens again from there to Johannes Oexleins, from there to Jacob Roth's, since his children were sick, Vol. I, page 595. Nov. 1775, Johannes Hager (Hagin?) inhabitant of Messilum (Mossellem), Berks County, Pennsylvania, and a member of Pastor Schaums congregation, has a brother-in-law, Johannes Oexlein, a Master Baker living in Philadelphia, Vol. 2. p. 709."

The following epitaph was for Johannes Oexleins son.

Hier liegt ein kleines Oechslein
Dem alten Hans sein Soehnelein
Der liebe Gott hat nicht gewollt
Dass er'n Ochsen werden Sollt!

Here lies a little Exlein -- Old Han's son
the dear Lord did not intend that he
should grow up to be an Ox.

While Johannes Oexlein was not a descendant of Georg Christoff Oechslen his family is being included here in order that future researchers may not be confused on the two families. No other Axlines, Exlines or Oechslens have been found until around 1850, when a family of Florists settled in or near Chicago.

Foreword

These letters were written by Emanuel Axline, of Loudoun County, Virginia to his brother Daniel Axline of Licking County, Ohio. They came into my possession through Nancy McBride in 1894. Doubtless she had obtained them from "Granny" Axline, my great grandmother, who survived her husband, Daniel Axline, several years. Evidently the settlement of the estate of the parents of Daniel Axline in Virginia was the motive for their preservation.

Letters one and two were addressed to Mr. Daniel Axline, Reynoldsburg Post Office, Franklin County, Ohio, while three and four were addressed to the same party as one and two but the Post Office was Etna, Licking County, Ohio. The letters, written on a double sheet of foolscap paper, were not enclosed in envelopes. The fourth page was left blank and the letters folded in such a way that the middle of the blank page served as a space for the address. In place of mucilage, the folded letters were held together by a wax seal. The amount of postage, 10 cents, was marked on the front in ink since postage stamps were evidently not in use at that time. The post mark was written in ink instead of being stamped.

In copying these letters, care has been taken to faithfully re-produce them so far as sentence structure, punctuation and spelling are concerned.

H. E. Eswine.

The lower neighbourhood is very sickly at this time scarcely a family escaped and some family all down sick at a time with the billous fevours that is along the river We are done seeding for this fall
We sowed one hundred and sixty bushels of wheat and twenty five bushels of rye ---.

Dear Brother. It is with the greatest pleasure that I have the opportunity to write a few lines to you again to inform you that we are all enjoying good health at present for which we are thankfull to god for his kind mercy towards us and hopeing when you receive these few lines that they may find you all enjoying the same blessing. We received a letter from Henry a few days ago whicj gave us much pleasure to here from you and that your where all (well) at that time.

Our settlement is tolerable healthy at (this) time though a good many old people are dropping of we have had a few cases of billious fever of late in our neighbour hood but not fatal -- ---
I must inform you of the misfortune that Brother David me with by the loss of his house by fire on the 29th of April it being very windy on that day the house took fire about two o clock in the afternoon while they war all out in the corn field planting when they discovered it the flames bursted through the roof he dit not safe the least particle of his household thing excepting what they had on there backs and you may yudge that was but little --- the neighbours has been very kind to him by helping him to things and cutting logs and hawling for a new house which he will raise in a short time

Our wheat crop looks tolerable fair at this time excepting the corn ground whch it is but sorry rye is but indifferint oats looks very well our own looks well at this time. Our markets are very good here at this time wheat is worth one dollar and eighty five cents per bw corn is from ninety five to one dollar per bw rye 90 cents per bw. oats 50 cts potatoes one dollar per bw Butter 17 cts eggs 7 cts Bacon 12 1/2 cents per # lard 10 cts per # wood s dollar per cord good horses from 75 to 100 $ fresh cows 20 dollars good old sheep 3.00 $ lambs 1.25 hogs very scarce and high ----.

It is no doubt but what you have been lookey for some time for a letter to here some thing concerning you suit but as there was nothing done in it this court i thought it would not matter much to write emetiately if you have any papers that will be any benifit to us i wants you to send them in between this and september as the superiour court will set then again or if you have any other witnefs that will be any benifit to us for we will want everything that we can find for Mack and his lawyer are very busy in hunting up everything they can find to defeit us ----- -----

No more at present) send an answer as soon as you can

I am your Emanuel Axline

Daniel Axline

Dear Brother. It is with the greates pleasure that I have another opportunity to write a few lines to you to inform you of our health) we are all well at present for which we have reason to be thankfull for these blefsings are expecting when these few lines come to had to find you all enjoying the same blefsing I returned home on the third day after i left you at Zanesville and found the family in good health and fine spirits -- Our neighbourhood is very helthy at this time and the weather uncommonly fine for this time of season the farmers are very bussey in getting in ther corn crop-- It is no doubt but what you have been looking for a letter for some time but as i told you when i left you that i would not write to you until after court was over I can inflrom you of the action of court now on your suit. which is somewhat encourageing to you it was decided in your favour at this term) but Macks lawyer plead for a reheareing on the case which the Judge granted him at the next tern which is next spring so the matter has to lay over till next April. I dont think that you have any reason to fear any doubt of loosing it our lawyer told me a few days ago that is was impofsible for them to gain it without they get better witnefses which i think they cant do We proved every thing that was nefsary for our part with five respect full witnefses they were Philip Erehart Phillip Swank George Richard Amos Jannery and Daniel Boland.

I will give you the prices of our produce wheat is worth at Berlin one dollar and twenty cents per bus Rye is worth sixty five cents per bus corn sixty two cents per bus oats 37 1/2 per bus pork is about six dollars and twenty five cents per hundred beef about five dollars per hundred Butter 17 cts egs 12 1/2 per potatoes will bring from seventy five to one dollar per bus and not many to be had at that price as the potatoe rot is playing destruction it is very fearfull wether we will have any left for seed by spring --- our corn crop is but an average one but the quality is good--- clover seed is worth about five dollars and fifty cents per bus---Brother David moved in his new house before i returned home and had sinse been so luckey as to add another to his family which they call him sone at this time yet --- I want you to write me an answer as soon as it is convenient to do so------

I have been requested by our lawer for you to send in a order for to defray some of the expenses of the suit that is the lawyers fees and also the clerks fees as it is costomary to grease the lawyers tolerable well to keep there tongue nimble) without that they are quite dum

Send the order to me ----- No more at present

I am your friend and Brother
